

Author | Speaker | Poet
Leadership Strategist

KEYNOTE
A/V
REQUIREMENTS

- Lavalier microphone (no handheld or earhook microphones)
- Ideally... no podiums
- Comfort monitor (if not doable, Dan's laptop must be available on stage and hooked up to an HDMI cable)
- Clicker (to advance slides -- if Dan's laptop is being used, he will bring his own clicker)
- Sound capabilities to broadcast videos to the audience
- PowerPoint (not Google Slides, PDF, Prezi, or Keynote)
- One bottle / glass of water
